

August 7, 1975

Dear Kathy,

I am enclosing the three Appendices to the inventory of Jim Brady's papers.

These are a list of his books (II)
a list of his Metis Association documents (III)
a list of his personal letters (IV)

I gave both your mom and Dad an inventory and this should make that complete.

I have copied the major papers and will return both the originals and the copies on my way back to Ottawa later this month. I hope also to stop in Pr. Albert to speak with B. Richards and to see the scrapbooks. I have a couple of folders of clippings that should be added to them.

I have been in Kikino, Lac la Biche, and Ft. Mc Murray in the intervening period - hence the delay in writing and sending these copies.

As soon as I clear my plans I will write, but must go now to Calgary.

Thanks again,

c/o Dept Sociology, 403 Ken Hatt
